FAQ

What classes are required for company?

-For the 2025/2026 season company members will be required to take jazz, ballet and spring progressions, which will be converted to senior company class on Thursday nights (progressions in the fall and company class in the spring). We require one convention (OKLA) that is held in OKC on October 12th.

Summer requirements:
One summer progressions intensive or private equivalent (minimum 3 hours of privates).

Where and when are competitions?

-We compete in 2 group competitions and 2 additional, optional solo/duo/trio competitions. All competitions are in the OKC metro in March, April, and May on weekends.

FAQ

When do you teach the choreography?

-This year we will be teaching choreography the weekend of November 1st - 2nd.

Additional Info

Attendance Policy: Each dancer will be allowed 3 spring company class absences. Any absences past 3 the dancer will be required to schedule a 30 minute private lesson with a coach. Private lessons for company are \$25/30 min.

Solos/Duos/Trios: Solos/Duos/Trios are considered extra dances and are up to the choice of the parents and dancers. You can contact a coach that you would like to choreograph and they will schedule a time and discuss cost of choreography/payment.

Competition Weekends

-Parents are not permitted backstage or in changing rooms. If you need to drop something off or tell your dancer something that is fine, but there is limited space and dancers will be warming up and preparing as a team.

-Dance times are typically posted the week of competition, but times can fluctuate. Dances typically compete Fridays, Saturdays, and Sundays. Dancers are expected to be at the venue 1 hour before solos and 1.5 hours before groups to change, get ready, and warm up.
